The above-identified application is ABANDONED because:

☐ An incomplete response

has been received to the Office letter mailed on March 12, 1987.

The response did not include:

1. ☐ the \$110 (\$55 for a small entity) surcharge under 37 CFR 1.16 (e) required for filing the basic filing fee or oath or declaration on a date later than the filing date of the application.
2. ☐ the full amount of the basic filing fee under 37 CFR 1.16 (a).
3. ☐ the oath or declaration of all the inventors required under 37 CFR 1.63.
4. ☐ Failure to pay Filing Fee.

Note: Since this application is abandoned for failure to pay the filing fee, the application will not be retained (i.e., the application papers will be disposed of), certified copies of the application will not be provided and benefits under 35 USC 120 and 37 CFR 1.78 (a) (3) will not be accorded unless the processing and retention fee set forth in 37 CFR 1.21 (1) is paid within the one (1) year period set forth in 37 CFR 1.53 (d).

A petition to the Commissioner under 37 CFR 1.137 (a) requesting that the application be revived may be filed.

Under 37 CFR 1.137 (a), a petition requesting that the application be revived on the grounds of unavoidable delay must be filed promptly after applicant becomes aware of the abandonment and such petition must be accompanied (1) by an adequate showing, verified under oath or declaration, of the cause of unavoidable delay, (2) by the required response to the above identified Office letter and (3) by the petition fee of \$56.00 required by law. If applicant can qualify as a "small entity" and does so prior to or with the payment of the fee, the fee will be \$28.00. See 37 CFR 1.27 for requirements to establish small entity status.

37 CFR 1.137 (b) does not apply to revival of applications abandoned under 37 CFR 1.53 (d) for failure to complete an application.

Any questions concerning petitions to revive should be directed to Petitions Information (703) 557-4282.
